

Riviera FB 45-080

Equipment

STATEROOM - MASTER FORWARD

SFV-A013

Storage cabinets outboard with positive locking hardware

SFV-A014

Storage under berth including drawers, cupboards & gas struts for easy access

SFV-A008

Hatch - white with screen and blind

SFV-A010

Private entrance door

SFV-A011

Queen walk around berth with latex mattress

SFV-A012

Reading and overhead lighting (DC)

SFV-A001

Access to private ensuite with privacy lock

SFV-A002

Airconditioning: 10,000 BTU with reverse cycle, heat (split to ensuite)

SFV-A004

Built in side steps for easy access to berth

SFV-A005

Carpet with underlay

SFV-A006

Cedar lined hanging locker to stbd with auto lighting (DC), and cedar lined storage locker with shelves to port

SFV-A009

Headboard - upholstered

SFV-A003

Bedside Tables

SFV-A015

Hull Windows fixed in tinted tempered glass

STATEROOM - STBD

SRP-A005

Hatch - white with screen and blind

SRP-A006

Private entrance door

SRP-A008

Storage cabinet above upper berth with positive locking hardware

SRP-A002

Berths, upper and lower (innerspring mattresses) with storage under

SRP-A003

Carpet with underlay

SRP-A004

Hanging locker with cedar lining

SRP-A007

Reading and overhead lighting (DC), LED

SRP-A001

Air conditioning: 10,000 BTU, reverse cycle, heat (split to port stateroom and day head)

Riviera FB 45-080

Equipment

STATEROOM - AFT

SMA-A009

Reading and overhead lighting (DC, LED)

SMA-A003

Berths, side by side with storage under, and infill to make double berth (innerspring mattresses) including bedside table with drawer

SMA-A004

Carpet with underlay

SMA-A006

Hanging locker with cedar lining and auto lighting (DC)

SMA-A008

Private entrance door

SMA-A001

Access to machinery room

SMA-A002

Air conditioning: reverse cycle, heat (split from stbd stateroom)

SMA-A005

Fixed hull window fitted port in tinted tempered glass including roller blind matching saloon selection

HEAD - MASTER

HMR-A012

Toilet roll holder, towel holder and accessories

HMR-A013

Vacuflush toilet (fresh water)

HMR-A006

Holding tank level indicator

HMR-A007

Mirror

HMR-A009

Private entrance from Master Stateroom with privacy lock

HMR-A010

Shower stall with frameless glass door, automatic sump pump & shower head (on slide bar)

HMR-A011

Storage locker with shelf under bathroom sink

HMR-A001

Air conditioning, reverse cycle, heat (split from master stateroom)

HMR-A014

Vanity cabinet

HMR-A003

Extraction Fan

HMR-A004

Hatch - white with screen and blind

HMR-A005

Premium grade vinyl flooring (excluding shower)

HMR-A008

Overhead and vanity mirror lighting (DC)

HMR-A002

Contemporary design solid surface vanity benchtop with porcelain bowl and quality mixer tap

Riviera FB 45-080

Equipment

HEAD - DAY

HD-A010	Storage locker with drawers under bathroom sink
HD-A011	Toilet roll holder, towel holder and accessories
HD-A013	Vanity cabinet
HD-A004	Exhaust Fan
HD-A005	Premium grade vinyl flooring (excluding shower)
HD-A007	Overhead and vanity mirror lighting (DC)
HD-A008	Porthole (fixed, non-opening)
HD-A009	Shower stall with glass partition, frameless glass door, automatic sump pump and shower head (on slide bar)
HD-A012	Vacuflush toilet (fresh water)
HD-A001	Air conditioning with reverse cycle, heat (split from staterooms)
HD-A002	Contemporary design solid surface vanity benchtop with porcelain bowl and quality mixer tap
HD-A003	Entrance to starboard head from companionway
HD-A006	Mirror

FLYBRIDGE

FLY-A009	Table with drink holders (accented with solid surface)
FLY-A010	Wet bar including, cupboard, drink holders, grab rail and sink with mixer tap
FLY-A003	Flooring moulded non-slip GRP, self draining
FLY-A004	Lighting: Overhead, courtesy and red night light
FLY-A006	Rails on rear of flybridge including midrail
FLY-A007	Storage lockers (GRP)
FLY-A008	Table (Solid surface) with drink holders and hi/low pedestal for conversion to day bed
FLY-A011	Wrap around front windshield/deflector
FLY-A001	Access via cockpit staircase with lockable GRP hatch
FLY-A002	Console port, aft, with comprehensive electronic engine instrumentation and vessel controls
FLY-A005	Lounges upholstered in white vinyl (removable) with moulded, self draining storage lockers underneath

Riviera FB 45-080

Equipment

HELM

HLM-A004	Electronic engine control unit, twin lever gear & throttle
HLM-A005	Ergonomically designed aft helm position, with drink holders and comprehensive electronic engine instrumentation and controls
HLM-A007	Quality helm and companion chairs, adjustable with footrests and covers (x2)
HLM-A008	Safety monitoring panel for bilge pumps, sump pump, navigation lights, engine room lights and high water alarm
HLM-A001	Chain counter (anchor)
HLM-A002	Compass, 4.75" with light
HLM-A003	Dash cover (White)
HLM-A006	Helm electronics area with 12/24VDC feed, main circuit breaker protected
HLM-A010	VHF radio with aerial
HLM-A011	Joystick docking control

SHIPPING

SHP-A001	FOB Brisbane - Export cradle, shrink wrap, shipping materials, transport to Brisbane, lash survey, travel lift and whafage. Note: Extra costs apply for ships departing from any other port
----------	---

ELECTRONICS

ECT-A001	A comprehensive range of factory fitted electronic packages and custom fitments are available through Riviera Australia, from fish finders, to underwater lights. Contact your dealer for details.
----------	--

CONSTRUCTION

CON-A005	Solid reinforced GRP keel, chines and hull bottom
CON-A006	Watertight collision bulkhead forward
CON-A001	Engine room hull liner, moulded GRP, gloss gelcoat finish for ease of maintenance
CON-A002	Hand laid, moulded fibreglass hull, cored deck and flybridge
CON-A003	Independent compartments throughout hull
CON-A004	Isophthalic gelcoat exterior (white)

GENERAL SPECIFICATIONS

GEN-A002	Antifouling: 2 coats epoxy undercoat, 2 coats antifoul
GEN-A003	Fenders x 4, dock lines x 4 and boat hook
GEN-A005	Gelcoat - 1 litre, shipped on board
GEN-A006	Owners manual - high quality and comprehensive
GEN-A007	Safety labels - English language
GEN-A004	Fire extinguishers, portable x 4
GEN-A001	All stainless steel exterior fastenings 316 marine grade

Riviera FB 45-080

MECHANICAL

Equipment

MCH-C019	High Pressure Water Cleaner plumbed to outlets at bow and cockpit (supplied with 1x10m (32'8") hose and spray wand)
MCH-A025	Shafts duplex 2205 (x2) with dripless PSS seals
MCH-A026	Trim Tabs - With controls to throttles
MCH-A028	Venting dorade system for engine air intakes
MCH-A199	Oil change system to main engines and generator
MCH-A019	Holding tank capacity 151 litres (40 US gallons)
MCH-C020	Fresh water pump, Secondary backup pump (switched independently)
MCH-A022	Propellers, niral four blade (x2), with standard engines
MCH-A023	Rudders (x2)
MCH-A024	Shaft brackets (x2)
MCH-A013	Fire suppression system for engine room with automatic/manual controls
MCH-A014	Fresh water heater
MCH-A027	Vacuflush sanitation system with control at helm for overboard pump out and deck fitting for dockside pump out
MCH-A016	Fresh water tap & hose set in engine room
MCH-A017	Fuel lines all swaged
MCH-A018	Fuel tank, GRP coated in fire retardant resin, 2,300 litres (608 US gallons)* (approx) with guage at helm
MCH-A007	Engine mounts - anti vibration
MCH-A008	Engine room access with stainless steel ladder
MCH-A021	Machinery room, including - light, water heater, air conditioning handlers and compressors, bilge pump, shower box & pump, battery chargers, inverter & fresh water system manifolds
MCH-A010	External & internal seawater strainers for main water intakes - engines, generator & air conditioning
MCH-A011	Fibreglass aqualift exhaust system for generator with water seperator
MCH-A012	Fibreglass exhaust system for engines with underwater outlets and bypass
MCH-A001	Acoustic & thermal insulation to Engine room
MCH-A002	Air conditioning condenser units: 1x 20,000 BTU & 2x 10,000 BTU (saloon & cabins)
MCH-A015	Fresh water system (pressurised) with dual water tanks, total capacity 500 Litres (132 US gallons)* (approx) with gauge in galley
MCH-A004	Bilge pumps, auto & manual override x 4
MCH-A005	Emergency rudder locking pins
MCH-A006	Engine hatches insulated & removable
MCH-A009	Engine room lighting DC
MCH-A003	All through hull fittings on or below the water line fitted with ball valves, all hoses double clamped

Riviera FB 45-080

Equipment

MECHANICAL - FUEL FILTERS

MFF-A001

Fuel filters/ water separator for engines & generator

SUPERSTRUCTURE

SUP-A001

Hardtop ? GRP double moulded on stainless steel supports, inc. spotlight with remote, opening hatch, overhead grab rail and overhead lighting inc. red night light

ELECTRICAL

ELC-A010

Generator - Onan EQD 11 kw/50Hz with muffler, fresh water-cooled including sound shield, remote stop/start, hour meter

ELC-A011

Inverter to power televisions (as fitted)

ELC-A013

Navigation lights (international standard)

ELC-A014

Wiring coded, numbered & assembled in looms where possible

ELC-A004

Battery charger - automatic (20 amp/12VDC) to generator battery

ELC-A005

Battery charger - automatic (80 amp/24VDC) to start bank and house

ELC-A007

Bonding system, to all metallic hull fittings under the water line with zinc anode including galvanic isolator

ELC-A008

Electrical control centre with back lighting AC/DC thermal/magnetic circuit breakers, voltmeters, amp meter

ELC-A009

Engine monitoring including instrumentation, alarms and hour meters

ELC-A012

LED Lighting throughout boat where applicable

ELC-A001

Alternators - Port alternator charges port start bank. Starboard alternator charges starboard start bank and designated Alternator for House bank

ELC-A002

Batteries (maintenance free) - Independent port & stbd start (total x 4), House (x2) and Genset start (x1) Auxiliary (X2)

ELC-A003

Battery banks individually isolated

ELC-A006

Battery paralleling system for emergency engine starting

ELECTRICAL - AUDIO/VISUAL

AUV-A002

Saloon - 32" LED TV (powered from inverter) mounted on a bracket on the forward dash (Relocated to stb side liquor cabinet if lower helm option is selected).

AUV-A003

Saloon - AM/FM Stereo, CD/DVD player with ipod interface, amplifier, 4 speakers plus subwoofer to saloon, 2 speakers and remote to cockpit

AUV-A001

Flybridge - AM/FM Stereo CD player with 4 speakers to flybridge

Riviera FB 45-080

Equipment

REGIONAL SPECIFICATION ASIA/PACIFIC

RSA-A003
RSA-A004
RSA-A001

Shore power electrical inlet (AC) 2 x 15Amp
Shore power leads (x 2)
AC power outlets (doubles) to all staterooms, heads, galley, saloon, flybridge and engine room
All AC loads with Residual Current Device (RCD) protection

RSA-A002

All AC loads with Residual Current Device (RCD) protection

RSA-A005

Vessel AC system built to 230V/50Hz

WARRANTY

WRT-A001

Riviera will, at its discretion and subject to the terms and conditions set out in the Riviera Warranty, replace or repair defects caused by faulty workmanship or materials during the first 12 months for Non-Structural warranty and 5 years for Structural warranty after the date of delivery to the first retail purchaser

COCKPIT

CPT-A014
CPT-A015

Steps to side decks port & starboard
Transom door GRP opening outwards with lift up bridge

CPT-A017
CPT-A008
CPT-A009

Wash down tap (sea water)
Grab rails to assist access to side decks
GRP moulded locker doors to storage with integral toe kicks

CPT-A011

Lighting - flood lights, overhead and courtesy (DC) LED

CPT-A012
CPT-A013

Self draining cockpit to the stern
Stainless steel framed saloon door (hinged outwards) and opening up rear window with gas struts and lock

CPT-A002

Cockpit floor, integral to deck (fully moulded) with alloy plate for future game chair or table fitment

CPT-A003

Cockpit hatches with heavy-duty stainless steel lock downs and gas struts for lazarette storage and bilge access

CPT-A016
CPT-A005

Wash down tap (fresh water)
Double action manual emergency bilge pump with manifold system to access all major compartments of the vessel

CPT-A006

Engine room access via lockable cockpit floor hatch (with gas strut)

CPT-A007

Fish bin (x1) fitted into cockpit floor (removable) with pump out facilities

CPT-A010
CPT-A001

Hand held shower hot & cold (Fresh water)
Access stairs to flybridge, moulded in, with teak treads, stainless steel handrail & lockable GRP hatch

Riviera FB 45-080

Equipment

SALOON

SLN-A010	Ottoman / Coffee table with storage underneath
SLN-A011	Rod storage locker in headliner. Electric open/close
SLN-A013	Table, Timber - Varnished, mounted on fixed height pedestal
SLN-A004	Flooring, premium grade vinyl to saloon entry door
SLN-A005	Handrail, stainless steel, recessed into headliner
SLN-A007	L shape lounge (port side) with slide out bed
SLN-A008	Lighting, overhead, LED (DC)
SLN-A009	Liquor cabinet with timber benchtop, Icemaker (AC), drawer fridge (DC) and bottle/glass storage
SLN-A012	Safety indicator panel for monitoring bilge pumps, high water alarms, sump pump, navigational lights & engine room lights
SLN-A001	Air conditioning: 2 x 10,000 BTU reverse cycle, heat
SLN-A002	Carpet with underlay
SLN-A003	Dinette - L shape in premium leather
SLN-A006	Head lining, vinyl with padding
SLG-A007	Pantry for additional storage, located in companionway
SLG-A008	Recessed electric cooktop, dual element with cover and auto shutoff
SLG-A011	Storage cabinets & drawers below and above bench
SLG-A001	Access to machinery room and bulk storage area under floor
SLG-A002	Exhaust fan
SLG-A005	Lighting, overhead, LED (DC)
SLG-A009	Refrigerator /freezer (DC/AC, under bench), fridge - 2 drawers/ freezer - 1 drawer
SLG-A010	Solid surface benchtop including stainless steel sink with infill and quality mixer tap
SLG-A003	Flooring, vinyl (Premium grade)
SLG-A004	Garbage bin

Riviera FB 45-080

Equipment

DECK

DCK-A010	Fender holders (x 4) to bow rail (not available with lower helm)
DCK-A011	Moulded non-skid gelcoat deck surfaces
DCK-A013	Rub rail - PVC (white) with stainless steel insert strip
DCK-A014	Wash down tap (sea water) at anchor locker
DCK-A004	Anchor safety strap
DCK-A005	Anchor winch vertical with overload protection circuit breaker, suit rope & chain, up & down switches & remote to helm
DCK-A007	Bow roller stainless steel self-loading - through bowsprit, heavy duty
DCK-A008	Cleats - stainless steel, 11" (x8), fairleads aft (x2), pop-up cleats for fenders (x2)
DCK-A009	Deck hatches x3 (lockable)
DCK-A012	Rails port & starboard of flybridge above window for safe passage to forward deck
DCK-A001	Anchor 27kg (60lb), 70m (230ft) of 10mm (3/8") short link galvanised chain
DCK-A002	Anchor chain chafe plate fitted to bow sprit
DCK-A003	Anchor locker with rope/chain divider (offset to stbd). Access from hatch on deck
DCK-A006	Bow rail welded stainless steel (316 marine grade, highly polished) with mid safety wire including flag staff and burgee (bow flag)

Riviera FB 45-080

Included optionals

EXTERIOR COLOUR SELECTIONS

CAN-A005

Front windscreen cover

Items: Black Breezeway

INTERIOR PACKAGES

IPA-G028

GALLEYWARE PACKAGE (32pce Cutlery set 32pce Dinner set, 8xNapkins, 2xkitchen towels, Tumblers - 8xMed & 8xLg, 8xGoblets, 8xChampagne flutes, Salad Bowl & Salad

COCKPIT COVERS

CCO-A009

Triangular Quarter glass clears to cockpit port and stbd with additional grab rails (Strataglass- No tablings)

REAR AWNING

RAO-A017

Cockpit awning - Yacht acrylic - Fixed forward section with removable rear extension; includes 2 stainless steel poles and 2 rod holders. (Rear awning extension can only be used while boat is stationary)

Items: White (Stamoid)

HULL COLOUR

HCO-A006

Painted hull topsides metallic colour (Antifoul line to Gunwhale, swim platform not included)

Items: Tungsten Silver

SALOON WINDOWS

SLW-A028

Side windows - Opening, tempered, tinted glass (double sliding)(in lieu of fixed glass)

COCKPIT

CPT-A134

Rod holders to flybridge rail (x 6) stainless steel

CPT-A167

Rod holders in cockpit coaming (x 5) - bolted in, heavy duty stainless steel

CPT-A130

Padded bolster fitted to cockpit coaming

CPT-A170

Tackle locker fitted above cockpit cool box

COCKPIT TRANSOM

CTR-A001

Live bait tank in transom with pick up, circulating pump, window and light

SALOON LAYOUT FORWARD

SLF-A077

Lower Helm with 2 seater helmseat (storage under).

Includes full instrumentation, controls, 3 wipers & washers with a clear tempered windscreen. Changes dinette to port and deletes coffee table.

The MAIN HELM station on the boat is to be the LOWER HELM

Bow Thruster controller & start/stop engine control lever/joystick to be mounted STARBOARD side of the cockpit

TV pre-installation in all cabins - all TV's will be purchased locally

Galley refrigerators and freezers to be steel doors.

Configuration to be right side freezer only and left side fridge only

Passerelle Preparation - please prepare transom for passerelle installation

Flybridge rails to have NO CLEARS fitted

Fresh water pump, secondary backup pump (switched independently)

Prep for passarelle, Prep and reinforce for transom fitment.

Supply but do not fit pre-assembled GRP bait tank parts.

Prep for future bait tank fitment including plumbing and wiring

Helm Chair to be upholstered in LINEN LEATHER - Helm and

Dash surrounds to be upholstered in PELLAN WHITECAP

Vinyl Flooring CARBO

Solid Surface PEARL

Interior Carpet TROIKA MOSCOW

Bedheads & Surrounds FLAGSHIP SILVER

Saloon Blinds - WHITE SHEER

Cabin Blinds - WHITE BLOCKOUT

Boot & Pin Stripe WHITE

Soft Furnishings Package Pacific - Part # 74510

Engines - Twin diesel CAT 8.7lt 650Hp, twin lever electronics, fresh water cooling, quickshift gearboxes and tolling mode

Lower helm steering wheel like the flybridge one (he does not want the leather one).

Carpet in saloon to be fitted over the amtico (color to be selected) - must have stitched edging

Seakeeper 6 Gyro

Electric Fish reels (2 each side) in the cockpit, heavy duty outlets x 4 (owner/dealer to supply reels)
