# WHEN STYLE MEETS PERFORMANCE

The PARDO 43 has been designed for a sophisticated owner who appreciates high quality, design, luxurious comfort, and much more. Thanks to careful studies of its hull shape and engineering, the PARDO 43 is noted for outstanding performance and speed.

# AN EXCLUSIVE DESIGN

Timeless elegance and unique personality are the outcome of both our boat builder's expert hands and a unique design that highlights artisanship, even in the most modern shapes. Thanks to its linear and refined furnishings, the PARDO 43 interiors reflect the excellence synonymous with Made in Italy, characterized by a careful choice of wood veneers and meticulous workmanship.

## THE POWER OF ELEGANCE

Its large hull volume and ample headroom make the PARDO 43 interiors warm, welcoming and spacious. The open space is made up of two large cabins; the owner's cabin at the bow includes a wide bed, many storage areas, large closets and plenty of natural spotlights. Aft, a wide storage area can be turned into a secondary cabin with two twin beds, closets and many storage areas. The passage between the two cabins is excellent. The head is located between the cabins and offers a separate spacious shower stall. The interior colors and materials can be fully customized.

# EXPERIENCE THE SEA

The walk around design is one of the main advantages of the deck: it guarantees extra space and facilitates safe access to the bow sundeck. As in very large yachts, an optional longer stern platform can be used to step on or off board, take a swim, a shower outside or as an extra entertainment area equipped with mattresses, poufs or chaise longues.
