BERTRAM 25 MARK II HARDTOP SPORT CRUISER

Take the classic Bertram 25 hull, add a handsomely styled fiberglass hardtop, design new options to add cruising comforts to your taste and the result is the Bertram 25 Mark II Hardtop Sport Cruiser. Extra protection is provided by new sliding safety glass windows. Forward are two berths and an optional head, while in the main cabin you may select from several options for extra cruising capability : convertible settee, bar console, galley, or dinette. You get the feeling of stretch-out cockpit space to add to the ease and enjoyment of fishing and sports. This versatile boat for the versatile boatman could be the boat for you.
